Crave It and Chase It

But people who long to be rich fall into temptation and are trapped by many foolish and harmful desires that plunge them into ruin and destruction. For the love of money is the root of all kinds of evil. And some people, craving money, have wandered from the true faith and pierced themselves with many sorrows.

Waste It

A few days later this younger son packed all his belongings and moved to a distant land, and there he wasted all his money in wild living. About the time his money ran out, a great famine swept over the land, and he began to starve.

Crave It and Chase It

Waste It

Hoard It

Look here, you rich people: Weep and groan with anguish because of all the terrible troubles ahead of you. Your wealth is rotting away, and your fine clothes are moth-eaten rags. Your gold and silver are corroded. The very wealth you were counting on will eat away your flesh like fire. This corroded treasure you have hoarded will testify against you on the day of judgment.

*I would rather be ashes than dust.
I would rather that my spark
should burn out in a brilliant blaze
than it should be stifled by dry rot.
I would rather be a superb meteor,
every atom of me in magnificent glow,
than a sleepy and permanent planet.
The proper function of man is to live, not exist.
I shall not waste my days in trying to prolong them.
I shall use my time.*

So I decided there is nothing better than to enjoy food and drink and to find satisfaction in work. Then I realized that these pleasures are from the hand of God. For who can eat or enjoy anything apart from him?

So I concluded there is nothing better than to be happy and enjoy ourselves as long as we can. And people should eat and drink and enjoy the fruits of their labor, for these are gifts from God.

So I saw that there is nothing better for people than to be happy in their work. That is our lot in life. And no one can bring us back to see what happens after we die.

Even so, I have noticed one thing, at least, that is good. It is good for people to eat, drink, and enjoy their work under the sun during the short life God has given them, and to accept their lot in life. And it is a good thing to receive wealth from God and the good health to enjoy it. To enjoy your work and accept your lot in life—this is indeed a gift from God.
