TRUTH & WORLDVIEW INITIATIVE

ABOUT THE INITIATIVE

In a post-truth society, it is critically important that Christ-followers be equipped to discern social and cultural concerns through the lens of a biblical worldview. We must learn how to think biblically about difficult and complex social/cultural ideas. Fellowship Church's **Truth & Worldview Initiative** seeks to host conferences and seminars, as well as provide courses, trainings, and other resources to equip those in our church and in the greater community to think biblically about the social and cultural issues of our world.

Find encouragement, hope, and direction from God's Word on the cultural issues of our time.

"Therefore, as you received Christ Jesus the Lord, so walk in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving. See to it that no one takes you captive by philosophy and empty deceit, according to human tradition, according to the elemental spirits of the world, and not according to Christ."
